NURSING RESEARCH

INDEX TO VOLUME 10 **WINTER, SPRING, SUMMER, FALL 1961**

This index is arranged alphabetically by author, subject and location of the institute or agency in which the study was made. That is, a study on the in-service training of psychiatric aides at a VA hospital in Salt Lake City would have entries under the author, **Inservice Education, Psychiatric Aides,** and **Utah.** The page number is indicated after each entry. The following abbreviations are used: (ed.)—editorial; (bk.rev.)—book review; (exc.)—excerpt; (RR)—Research Reporter.
